

Dear Future Navigator:

North Pointe Christian Academy was founded in 2022 with a mission: To provide a comprehensive educational experience from a Biblical worldview with academic excellence. As we approach our fifth year, we will continue to offer this style of Christian education to our current and new families during the 2025-2026 school year. Our vision is to partner with you as we help them become vital members of their community, accurately demonstrating the love of Christ, as they cultivate their education toward future collegiate and vocational pursuits.

As we grow, we are able to bring more opportunities and events, and we invite you to join us for an exciting new year. One important thing about North Pointe Christian is that we will continue to enhance the experiences for all of our students and families.

Our re-enrollment for current families will begin on January 9 with open enrollment for new families beginning January 26. We welcome you to contact us now for a tour, information packet, or to schedule a “shadow day” for your child. Students can visit school for a day, and we partner them with their current grade so they may have a full NPCA experience prior to you making the enrollment commitment.

This application packet has a checklist of the documents needed to begin the process of becoming a NPCA Navigator. The application fee must be paid, and all paperwork must be completed before scheduling the student testing and family interviews: we cannot conduct testing or interviews until all of these application forms have been completed and returned to us.

Additional application forms are required if applying for our needs-based financial assistance. If you would like to apply for a scholarship, the deadline for a completed application is June 1, 2026. No financial assistance is considered until the student has been accepted to North Pointe Christian Academy. Availability of financial assistance is not guaranteed. You may contact the front office for more information.

We look forward to hearing from you and getting to know your family. Please contact the office at (804)733- 8172 with any questions about the application process.

Navigating with Him for you,

Anna Harr
Principal
